VARIANCE REQUEST FORM

THE SHORES ON RICHLAND CHAMBERS LAKE

Please read the complete copies of the POA By-Laws, Declaration of Covenants, Conditions and Restrictions (CC&Rs), including all amendments and supplements, and the ACC Interpretations and Clarifications (I&Cs) to become familiar with building restrictions. All documents are available on the Web Site.

I acknowledge that I have investigated other options to bring my original request into compliance and feel that a Variance Request is appropriate. Therefore, I request ACC consideration and approval of this Variance Request.

The review will be completed within 30 days from date received by the ACC, unless more information is needed from the lot owner. Once the ACC review is completed, the two (2) copies of this Variance Request Form will be stamped with the approval/denial along with any remarks/limitations (if applicable) and signed. The Variance Request Forms will be attached to the original request forms. The original request will then be aptly stamped as approved or denied with remarks (if applicable), signed, and distributed as normal.
